

Greenfield Central Jr. High Football Information

- Games are held at Greenfield Central Jr. High -- 1440 N. Franklin St. in Greenfield
 - Football field is located on the West side of the building
- Masks are required at all times on the GCJH campus, except when engaged in physical activity
- Admission is \$4/person for 1st grade and up (each person who enters counts towards the event capacity).
- Limited concessions are available.
- Restrooms are available at the concession stand building.
- Total allowed capacity for football games is 250 people, according to IHSAA/Health Department guidelines. When capacity is reached, others will be turned away. Tickets are sold on a first come, first serve basis. The bleachers will be the primary seating area for spectators. Gold tape has been placed across the bleachers every 6 feet (side to side). This designates an area where a “family unit” can sit. Bright yellow tape has been wrapped around the rows of bleachers that are unavailable for seating. Each family unit should be 6 feet away from the next family unit in all directions. Handicap accessible seating is available on the first row of bleachers. Additional seating is marked with gold tape along the fence line at the north and south ends of the bleachers. To plan ahead, families may want to bring a lawn chair if they end up needing to sit in the overflow areas. Again, each family unit should be 6' away from the next. In these areas, no spectators should sit/stand on the sidewalk.
- If possible, due to player availability and darkness, extra time will be played in one of two formats:
 - 4 quarters with running clock and no halftime
 - 2 quarters with regular timing
- Each player should have his own individual water bottle. A bottle filling station will be available near the field, if necessary
- Players/coaches will maintain 6 feet of social distancing with the line-to-gain crew
- All 2020 Football Rules Considerations, as recommended by the IHSAA and NFHS, will be followed
